Re: Guidelines for Use of Grills, Outdoor Fireplaces and Manufactured Fire Pits and Recreational Fires

Recently, we discovered barbeque grill smoke damage on an “over garage” patio wall of an attached condominium unit.

The Association would like to remind all CHV owners of the guidelines for the use of grills, outdoor fireplaces and manufactured fire pits and recreational fires. The Association asks you to please abide by the enclosed guidelines from the Canton Township Department of Public Safety.

Owners whose units are tenant-occupied are asked to provide this information to your tenant.

Thank you,
